25th Anniversary 9/11 "Remember Me" 2 Mile Run/Walk

Saturday, September 12th. 2026

2:00PM

Join us as we gather in remembrance of the victims, first responders and all those whose lives were forever changed by the events of September 11, 2001.

On this 25th Anniversary Memorial Tribute, we will honor the courage, sacrifice and resilience that emerged from one of the most significant days in our nation's history.

Participants are invited to join our "Remember Me" Run/Walk. As each participant crosses the finish line they are invited to ring a bell honoring the memory of a first responder.

Whether you choose to run, walk or simply participate in solidarity, your presence helps ensure that their memory lives on for future generations. There will be an Award Ceremony and a Memorial Tribute following the run.

There will also be a Fun Run and exciting activities for children, making this a memorable day for the entire family.

St. Michael's Cemetery
72-02 Astoria Boulevard S.
East Elmhurst,
NY 11370

For registration details please see the enclosed notice.

The public is respectfully invited to attend. For additional information, please contact
