

### **Now Available: Garden Of Remembrance Mausoleum A New Standard in Memorial Spaces**

We are honored to introduce the **Garden of Remembrance Mausoleum**, our newest and most serene addition to the cemetery. Designed with elegance and peace in mind, this space is now open and available to families seeking a dignified and lasting tribute.

Situated in a secluded, elevated location with sweeping views, the Garden of Remembrance Mausoleum will be beautifully landscaped to resemble a peaceful garden, offering a tranquil, natural setting that invites quiet reflection and remembrance.

This thoughtfully designed mausoleum features approximately 450 crypt spaces and 530 niches, including single and double crypt options to accommodate your family's unique needs.

Crafted with care, the crypt and niche covers are made from premium London White and Swedish Mahogany granite, adding a timeless and sophisticated touch.

With its combination of natural beauty, architectural elegance, and peaceful surroundings, the new Mausoleum sets a new standard in memorial offerings.

Availability is limited. Contact us today to learn more or to schedule a private tour with one of our dedicated Memorial Counselors.

### **Coming Soon: Urn Garden of Remembrance**

We are pleased to announce the upcoming development of our *Urn Garden of Remembrance*—a thoughtfully designed space that will offer a peaceful and dignified setting for cremation memorialization.

This new garden will feature a variety of options, including single, companion (double), and private family placements to accommodate individual preferences. Surrounded by beautifully curated landscaping, the area will provide a serene environment for reflection, complete with benches for quiet moments of remembrance.

Designed with both beauty and tranquility in mind, the Garden of Remembrance will be a lasting place to honor loved ones in a comforting and natural setting. Additional details will be shared as this project progresses.

# Upcoming Events

## Memorial Day Flag Placement – A Tradition of Honor

Each year in advance of Memorial Day, a dedicated group of volunteers comes together to carry on a meaningful tradition—placing American flags at the graves of those who have served our country.

This heartfelt effort ensures that every veteran is recognized and remembered for their sacrifice. With care and respect, these volunteers help transform

the grounds into a powerful display of patriotism, offering visitors a moving reminder of the true meaning of Memorial Day.

## 25th Anniversary 9/11 Memorial Tribute – Honoring Our Fallen Firefighters

This September, we will come together in solemn remembrance as we mark the 25th anniversary of September 11, 2001. We are honored to host a special Memorial Tribute dedicated to the brave firefighters who made the ultimate sacrifice while working tirelessly at the World Trade Center site in the days and months that followed.

Planning for this meaningful event is already underway, and it promises to be a heartfelt tribute filled with reflection, gratitude, and community unity. The program will honor the courage, strength and enduring legacy of these heroes, ensuring their service and sacrifice are never forgotten.

This event will be held in September and is open to the public. We warmly invite families, friends and members of the community to join us for this special tribute. Admission is free.

Additional details, including the date and program highlights, will be shared in the coming months.

## Progress underway on St. Mary's II

Construction of the new St. Mary's Mausoleum Extension building is progressing well. This significant development represents an important milestone in our ongoing commitment to expand and enhance the options available to the families we serve. We look forward to sharing further updates as this project continues to advance.

## Available Pre-Construction: St. Mary's Mausoleum II

St. Mary's II offers families the opportunity to plan ahead with pre-need crypts now available at discounted rates. The majestic three-story building features both indoor and outdoor crypts—combining beauty, permanence and peace within a thoughtfully designed setting.

By purchasing in advance, families can secure preferred locations, lock in today's pricing and ensure their wishes are carried out with care and dignity. Our experienced counselors are available to assist in selecting the option that best fits your needs.

### New Graves in Section 5

Now available: Traditional, in-ground graves in **Section 5**, a peaceful and shaded area of the cemetery. This serene location offers a quiet, natural setting for reflection and remembrance. Call to inquire.
