

**Join us for a Memorial Service to REMEMBER  
the First Responders of 9/11, those who died working  
on the pile, and those we lost to Covid-19.**

**St. Michael's will honor those we have lost  
on Saturday, September 11th at 3PM.**

Brass22 is a brass quintet band based at The Juilliard School.

On September 11, 2021, it will be 20 years from that awful day during which nearly 3,000 Americans died at the hands of terrorists. The World Trade Center, the Pentagon and a field in Pennsylvania will bear the marks of the attacks forever in the history of the United States.

Now these many years later, over 600,000 Americans have died from a terrible virus that seeks additional victims daily. Even with vaccinations spreading across the nation and throughout the world, lives will be lost to the disease into the future.

The nation has begun to have moments of silent remembrance highlighted by lights representing our lost loved ones. Flags have been lowered in honor of the new front line warriors: health care providers.

September 11th, 2021 will not be an anniversary to celebrate, obviously, but a call to consider, remember, to think what could have been if those lost on 9/11 were still among us. It must also be a day to mourn the losses of so many taken by an evil virus which has stalked our cities, countryside and people with the sole function of harming and killing.

St. Michael's Cemetery has annually held memorial services on September 11th for the First Responders of the attacks, and has dedicated monuments to them as well. We must remember the lives lost on September 11th and taken by COVID-19. Please join us this September 11th.

St. Michael's Cemetery

St. Michael's is dedicated to the celebration of life. St. Michael's continues to be an active participant in the lives of the citizens of New York as it has been since 1852.
