Mary's II*

Exciting News!

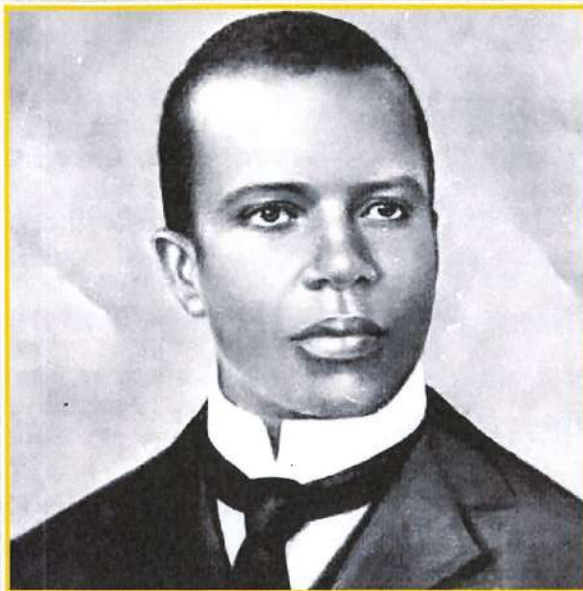

We are thrilled to share our upcoming developments that reflect our commitment to sustainability and community support. In the spirit of environmental responsibility, St. Michael's has begun its project of installing **solar panels**, contributing to a greener future. Stay tuned for more details on how we are making a positive impact in both the environment and our community we proudly serve.

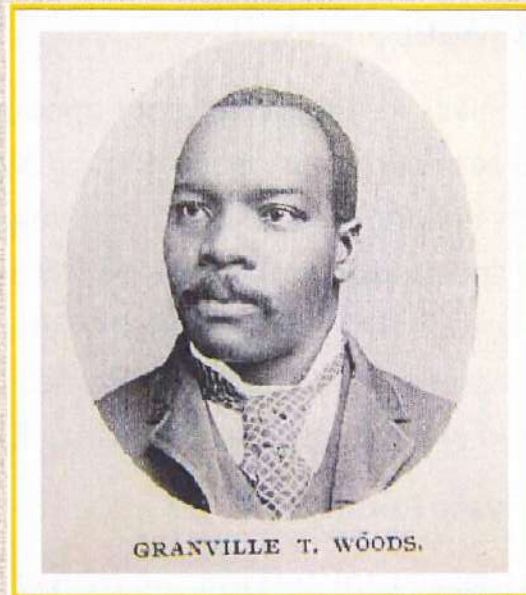

Solar Panels over St. Joseph's Mausoleum

Honors Icons:

Scott Joplin
1868-1917

Granville T. Woods
1856-1910

A Black History month Tribute at St. Michael's Cemetery

We warmly welcome you to visit our offices to acquire a specially dedicated literature pamphlet. This pamphlet provides significant insight into the lives of these exceptional historical figures, both of whom are laid to rest here at St. Michael's.

We look forward to a forthcoming springtime event that will provide exclusive guided tours to the gravesites of Joplin and Woods.

Please check our website for upcoming events.
